

United Way of Weld County
School Supply Drive

June 1 to July 16th

The Big Yellow Truck Event

Help us **STUFF** the truck with school supplies.
Holding out a hand to one, influences the condition of others.

Every child deserves the opportunity to succeed.
Call Eva today to reserve your school supply collection barrel.

970-304-6162 or
eva@unitedway-weld.org

Filled barrels will be picked up by July 16th

These are the tools that prepare students each year for the first day of school. Unfortunately, not every child is ready for the first day of school simply because they do not have the means of purchasing these items.
