We encourage you to be creative when planning your stuffing items.  
Pens, magnets, key-chains, Frisbees, flyswatters, samples of products,  
ect., are all great stuffers along with your company information.

For ease of transporting bags to the event,  
**please no large, bulky or heavy items.**

All items (300 of each item to be inserted into the bags)  
need to be **dropped off** at the

the day before or morning of the stuffing you are participating in.

We are looking for **volunteers to help** with the welcome bags.

are usually finished in a few hours!
